Your Day Your Way....

At the Heritage Park Hotel, we have always believed that the most unforgettable weddings are the ones that feel completely authentic to the couple at the centre of them.

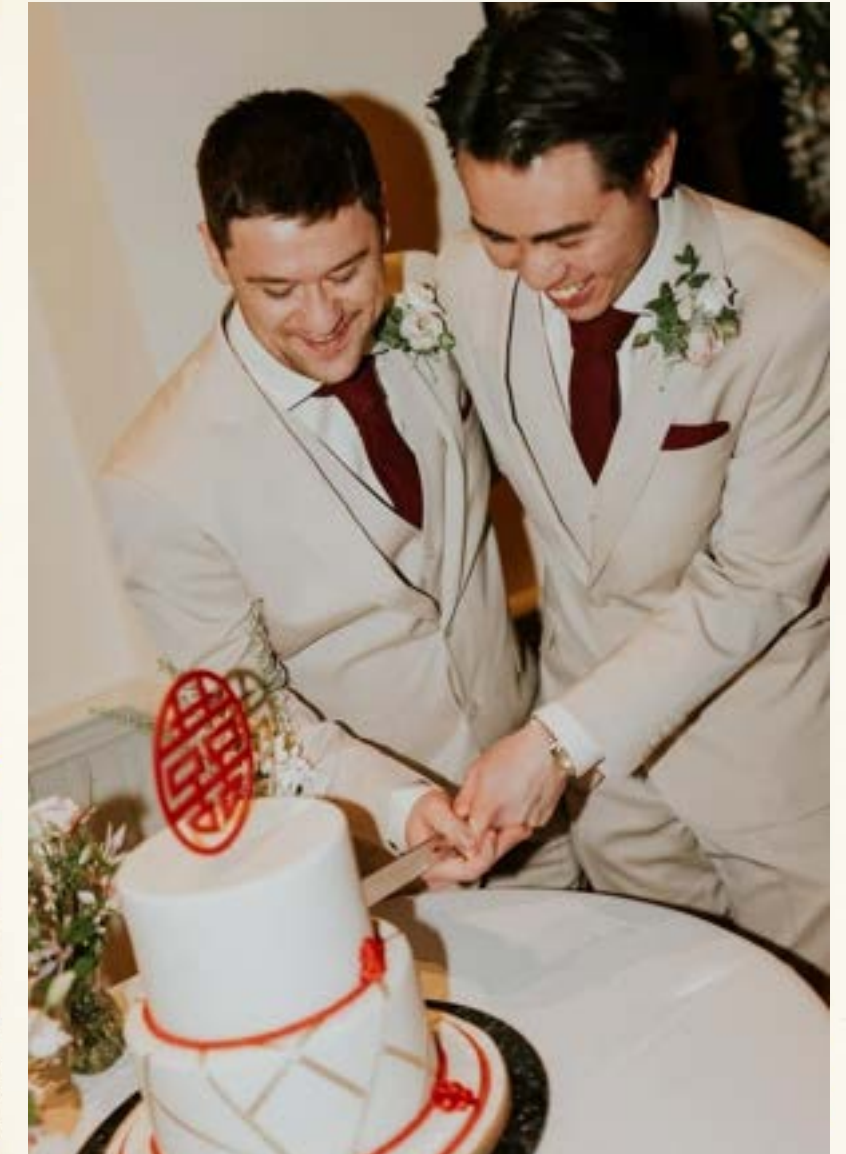

We know that choosing the right package can sometimes feel like trying to fit a square peg into a round hole.

You shouldn't have to compromise your vision just to fit a pre set list of services. This is why we are incredibly proud to offer, alongside our packages, a bespoke tailor made service to suit your needs. Our wedding team are ready and waiting to sit down with you over a coffee (or maybe something a little stronger!) for a complimentary consultation.
